Imbalance

A one-sided move that price comes back to.

Ink.

One-sided delivery

Imbalance

Price moved up with almost no selling in between. The gaps inside the move are the imbalance.

Price tends to come back and fill it.

Imbalance and FVG

1

Imbalance

Any stretch delivered one-sided.

2

FVG

The precise three-candle gap inside it.

3

Volume imbalance

Bodies that do not touch while wicks do.

4

Use

Entries on the return, in the direction of the move.
