# Breaker + FVG

## Where they overlap

A bullish breaker with the displacement's FVG sitting across it.

The overlap is a tight, high-quality entry.

# Checklist

1

## Sweep

An old low taken.

2

## Breaker

The last up candle into the broken high.

3

## FVG over it

The move up leaves a gap that overlaps the breaker.

4

## Entry

In the overlap, stop below the breaker.
